

A view from the top: The local politico-administrative leadership in implementing evidence-based practice in social services

Errata

- The caption for Figure 2, p.23 is missing a reference. It should read Figure 2: The COM-B model: capability, opportunity and motivation make individual behaviour possible (*Michie, van Stralen & West, 2011*).
- Figure 3, p.24 is incorrect. An updated Figure 3 is provided.

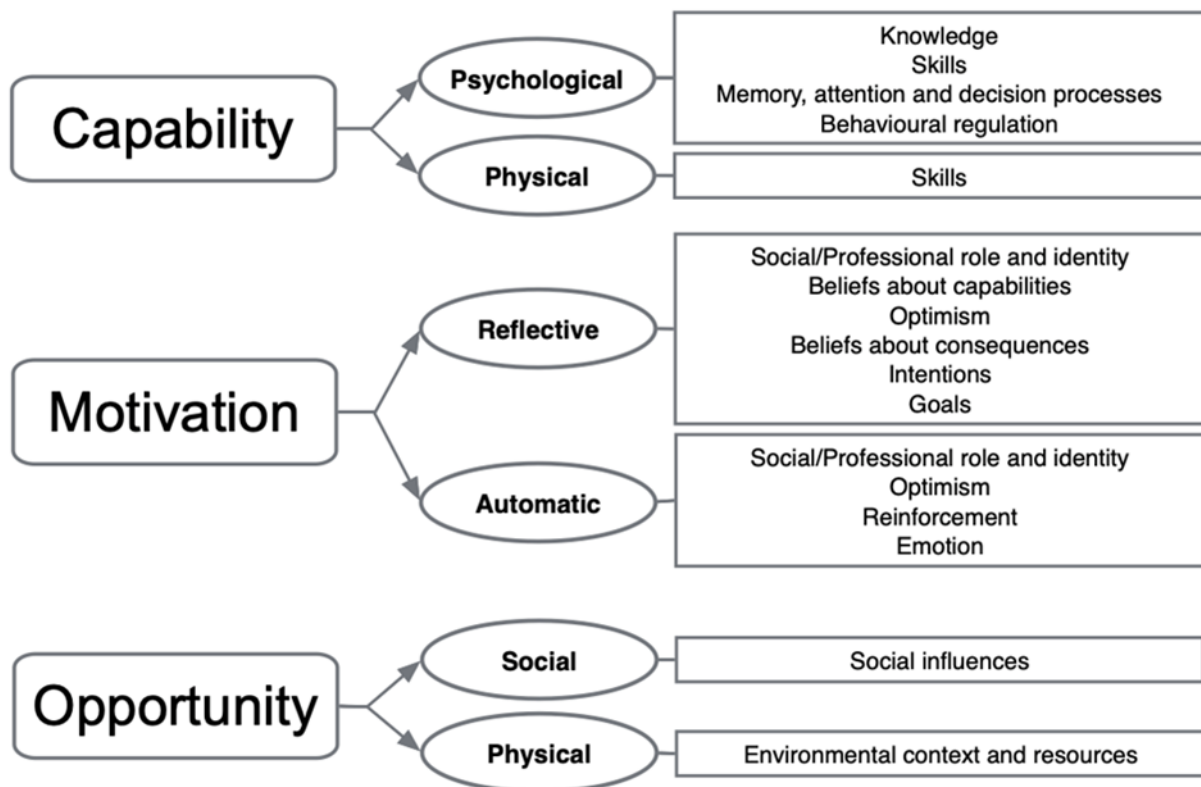

Figure 3: Mapping the COM-B dimensions to the TDF domains (Cane, O'Connor & Michie, 2012)

- The sentence on p. 29 “In a few municipalities, the committees are organized somewhat differently, as they are arranged according to geographical districts, for example, in the three largest cities in Sweden (Stockholm, Göteborg, Malmö)” is incomplete. The sentence should be: “In a few municipalities, the committees are organized somewhat differently, *they also are, or have been,* arranged according to geographical districts, for example, in the three largest cities in Sweden (Stockholm, Göteborg, Malmö)”.
